

SCRAMBLE
November 2024

SHEET
AMA Charter # 328

President's Message

Hello again VRCers

We made it through the hurricane with some damage, but that interfered with flying. We were very fortunate as were a lot (but not all) of our members. Repairs will be continuing for some time.

The board has been working on revisions to our bylaws for a few months and the resulting document will be distributed to all members in December. A ratification vote will be taken at the January membership meeting.

Elections will be held at the December meeting as usual, and nominations will be held at the November meeting. The officer positions up for reelection are the VP and Treasurer, and the incumbents, Lee Shaver and Dave Walters respectively are planning to run. The board member at large at the end of his term is George LeBlanc and he also plans to run for reelection. If no opposing nominations are made, their reelection will be ratified by voice vote at the December meeting.

Scott Anderson has volunteered to become our new safety officer. Thanks to Dave Dobbs who has held this position previously, and we thank him for his service.

The board has discussed the need for a dues increase, and this will be discussed at the upcoming board meeting. Your input will be appreciated.

Finally, the board has voted not to hold the wings over Venice event in 2025. Last year's family day was a big success and instead of WOV, we will hold one or two similar events in the coming months. Details to follow.

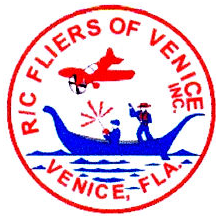

President, *John Dexter*
